

SV PART NUMBER LOGIC

SV Microwave assigns a unique part number, or SKU, to each product following the logic established below. Please note that legacy SV products were created before the below naming convention had been created. Their part numbers do not adhere to this logic.

Connector Part Number Logic

XXXX-XXXX

Adapter Part Number Logic

11XX-XXXX

Cable Assembly Part Number Logic

70XX-XXXX

Legend

KEY	MEANING
XX	RF Series: Refer to Table Below
